This event is also a chance to bring all those with an interest in vehicles of any age and type together for the total motoring fellowship experience!

At the end of Saturday's motoring – in Arrowtown – we stay the night and really relax.

This is a special time away; the fun of this weekend is to arrive at the start and have an adventure!

All unfolds with the new friendships of those around you. This will be our last ACO, so it's going to be special, then we have another big event that is running afterwards.

En-route stopping for a morning tea and lunch that is all organised for you.

The evening is free, but for those who wish to gather the main street (Arrowtown) has many fine food establishments to enjoy.

The Sunday: April 11, 2021. 11.30am Assemble and leave from Arrowtown to travel to a nearby very special farewell lunch venue then some will head home but, this year we have another event starting just after this one. It will be starting in Wanaka Sunday evening.
